**Free Legal Assistance Now Available for Cook County Residents**

We know that COVID-19 has negatively affected Cook County residents, including Access to Care members.

People have lost their jobs. Hours have been cut.

But rent, mortgages, property taxes, medical bills, and credit cards still need to be paid.

We know there is fear of evictions, foreclosures, and economic issues for many families.

Access to Care is proud to partner with Cook County Legal Aid Legal for Housing and Debt (CCLAHD). CCLAHD can provide **FREE** legal help with an **eviction, foreclosure, or debt issues**. CCLAHD can help regardless of immigration status.
